FOUNDERS CUP

The LPGA was founded in 1950 by 13 women and is built upon their legacy. The Cognizant Founders Cup pays tribute to the 13 founding members of the LPGA Tour. This will also mark the third year with Cognizant serving as the title sponsor since the tournaments transition to northern New Jersey in 2021.

The LPGA Tour is committed to sharing in the courage and passion of its 13 founding members. The determination to enhance opportunities for young girls and women is what makes the celebration of the Cognizant Founders Cup so special.
