

I'm delighted to welcome you to the 2023 Cognizant Founders Cup.

We applaud the LPGA and its mission to change the face of golf by making the game more diverse, accessible and inclusive. As a Fortune 200 company and one of the world's leading technology services firms, Cognizant shares the LPGA's commitment to ensuring equal opportunity for all—on the golf course, in the workplace, across the technology industry, and throughout all aspects of life. To fully understand our clients and innovate solutions to their challenges, we know we must have a workforce that reflects their diversity and the world around us.

As part of our tournament sponsorship, we're excited to work with Girls Golf, the only national junior golf program that specializes in providing a girl-friendly environment where young women can learn the game as well as the confidence, perseverance and related skills that will serve them well throughout their personal and professional lives.

The pursuit of golf opens networking and career advancement opportunities for girls that can help level the playing field. In keeping with one of Cognizant's core values to create conditions for everyone to thrive, we're determined to help break barriers for women in technology and in sports.

Therefore, we're proud to partner with the LPGA to offer one of the largest purses of any LPGA Tour event outside of the majors. Top players deserve equal rewards for their efforts regardless of gender.

We look forward to an exciting tournament.

Thank you,

Ravi Kumar S

MAY 10-14, 2023

On behalf of the LPGA Tour and all its Members,
WELCOME to the 2023 Cognizant Founders Cup.

Thank you for taking the time to join us this week. We're thrilled you're here because we know our athletes will inspire, amaze, and entertain you with their world-class talent. And, of course, we extend a special note of gratitude to Cognizant and Upper Montclair Country Club — without your vision and commitment, this tournament would not be possible.

Together, the LPGA and our partners are passionate about utilizing our shared platform to have a positive impact on our communities, near and far, and to continue to elevate girls, women, women's golf and women's sports worldwide.
